NATURE SPARES

The Stricken Rose From Grief.
What a fortunate provision of nature
it is, that deprives the rose of mental
suffering; for how poignant would be its
grief to discover, in the height of its
blooming glory, that a canker fed at its
heart, and that its beauty and fragrance
were doomed forever. Nature always
spares the suffering; there is a veritable
store-house of pleasing rewards, for
those who seek her aid. In the years
gone by falling hair and grayness have
cast a gloom over the lives of thousands
of young women, but thanks to the in-
vestigations of scientists the true cause
of hair destruction is now known to be
a germ or parasite that burrows into
the hair follicles. Newbro's Herpicide
absolutely destroys this germ, thus
permitting the hair to grow as nat-
ure intended. Sold by leading drug-
gists. Send 10c. in stamps for sample
to The Herpicide Co., Detroit, Mich.

Free Sample
For Baby's Ills

Something can and must be done
for the puny, crying baby, for the
child that refuses to eat and is rest-
less in its sleep. And since the basis
of all health is the proper working
of the digestive organs, look first to
the condition of the stomach and
bowels.

A child should have two full and free
movements of the bowels a day. This
emptying of the bowels is very important,
as with it comes a clear head, a light-
ness of step, good appetite and sound
sleep. But it is equally important to
know what to give the child in the
emergency of constipation and indiges-
tion. Cathartics are too strong and salts
and other purgatives are not only too
strong, but the child refuses them be-
cause of their bad taste. Have you ever
tried Dr. Caldwell's Syrup Pepsin? It is
a liquid tonic that families have been
using for a quarter of a century. It is
mild, pleasant-tasting and promptly ef-
fective. It is good for you as well as
the child, but there is nothing better to
be found for children. They like its taste
—you will not have to force them to
take it.

First of all, if you have not yet used
it, Dr. Caldwell would like to send you
a sample bottle free of charge. In this
way you can try it before buying. And
when convinced of its merits, you can
get it of your druggist at fifty cents and
one dollar a bottle, just as thousands of
other families are doing. The family of
Mr. D. W. Spangler of Strattonville, Pa.,
as well as that of Mr. A. F. Johnson of
Walnut Grove, Tenn., started with it in
that way and now write that it is their
one family necessity next to food itself.
If you are unfortunate enough to have a
sickly child, one given to constipation
and indigestion, you should send for a
free sample of this remedy.
Dr. Caldwell personally will be pleased
to give you any medical advice you may
desire for yourself or family pertaining to
the stomach, liver or bowels absolutely
free of charge. Explain your case in a
letter and he will reply to you in detail.
For the free sample simply send your
name and address on a postal card or
otherwise. For other request the doctor's
address is Dr. W. E. Caldwell, R. 507 Cal-
dwell building, Monticello, Ill.

'Tis the honest statement of a sufferer who was cured.

Thomas Ruark, East Second street, Vanceburg, Ky., says: "I suffered from kidney trouble and inflammation of the bladder for over ten years, some of the attacks being so severe that I really thought I would die. A complete retention of the kidney secretions existed and I called a doctor who drew the secretions from me with an instrument. None but those who have gone through this can imagine the suffering I endured. Some time ago I saw Dean's Kidney Pills advertised and I procured a box. Since using them I have had no bad any trouble from my kidneys."

KANSAS MAN GIVES STRONG TESTIMONY

William O. McFarland, a well known resident of Wichita, Kansas, living at 607 North Water street, that city, is a strong believer in the efficacy of Cooper's New Discovery. In a recent statement Mr. McFarland says:

"As an after-effect of typhoid fever and the grip, I have suffered with stomach trouble for the past three years. I had no appetite, and did not get the proper nourishment from my food. As a result I was very weak, and felt tired and worn out, having no energy nor ambition. I experienced a feeling of heaviness in my stomach and belched a great deal of gas. I tried a number of remedies that were recommended to me and took treatment from several physicians, without any permanent benefit.

"I finally decided to try Cooper's New Discovery, after noticing a number of advertisements in the newspapers regarding it. I found it all that it was claimed to be. Within a few weeks the belching had ceased entirely, and the feeling of heaviness and distress disappeared. I began to relish my meals and soon gained in strength and weight. I was greatly surprised with the prompt action of the medicine, and gratified with the results I obtained from its use."

Persons afflicted with worn out stomachs should try Cooper's New Discovery. There is a heavy demand for the Cooper remedy, for which I am agent in this community.—Thos. J. Chenoweth.

SIGNS ORDINANCE FOR MAYSVILLE LINE

Mayor Craig of Covington signed the ordinance giving the Cincinnati, Louisville, Lexington and Maysville Traction Company the right to use certain streets for an entrance into that city.

The Company will have two important branches diverging at Dry Ridge, one known as the Maysville line, which will be 50 miles in length, passing through Williamstown, Fairmont, Brooksville and Maysville. Another branch, to be known as the Lexington division, will pass through Williamstown, Georgetown and Lexington.

HALLEY'S COMET ACTING UGLY

GENEVA, N. Y., May 16th.—Dr. William R. Brooks of Smith's Observatory reports remarkable changes in Halley's comet during the last three days. The nucleus, the brightest part of the comet's head, has grown larger and brighter, while the coma surrounding the nucleus has greatly changed in form and is now distorted and much broader on the side nearest the sun. This, says Prof. Brooks, gives evidence of violent tidal action.

The dark streak extending back from the nucleus through the middle of the tail has also grown broader, dividing a large part of the tail into two distinct branches.

SEE What the Postmaster General Says!

PUT UP MAIL BOXES

The Postmaster General Thinks Every Family Should Have One at Their Front Door

One of the suggestions of the Postmaster General for economizing in his Department is that people put up little boxes or other receptacles at their front doors so that the Postman will not have to stand and wait until somebody answers the bell. A great deal of time is wasted by the Postman having to wait. It is in the interest of an efficient and economic service to provide these little conveniences. And then they are not only conveniences for the Postman; they are also for the people of the house. "There is the mail man," says the housekeeper, with her hands in the dishwater or mixing the dough for the family bread; "run, Johnny, to the door," and Johnny is down in the back yard trying to lasso a black cat, but by this time the mail man, thinking no one is at home, goes on with the expected letter from Mary, who is visiting over in Chicago, and so the family is deprived of the pleasure for several hours, simply for the lack of a neat little box at the front door.

In anticipation of this announcement we have purchased a number of Mail Boxes of the latest approved pattern. Just the thing. Call and see them.

The twenty-eighth annual G. A. R. Department Encampment of Kentucky will meet in Central City tomorrow for a two days' session. Colonel C. C. Degmah of Springdale and Dr. William Bowman of Lewis county are regular attendants, being members of the grand body.

Deafness Cannot be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; hence, as out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 73c. Take Hall's Family Pills for constipation.
